

LOCATION AND APPROACH ECA TECH SUMMIT 2025

| FEBRUARY 11TH 2025, DARMSTADT, GERMANY

City Darmstadt

Darmstadt, located in southern Hesse, Germany, is part of the Rhine-Main metropolitan region and lies about 30 km south of Frankfurt, with easy access to cities like Munich, Mannheim, and Strassbourg. It's roughly 500 km from Paris to the west and 450 km from Berlin to the northeast, making it centrally positioned in Europe. Known as the "City of Science", Darmstadt is a hub for cutting-edge technology and research in fields like AI, quantum computing, and space exploration.

APPROACHING THE LOCATION FROM FRANKFURT BY PUBLIC TRANSPORT

Darmstadt enjoys excellent connections to Frankfurt, with frequent train services and a direct bus from the airport making travel between the two cities very easy within 30 Minutes
