

ECA Mentoring & Coaching Platform

Empowering European Tech Through Tailored Guidance

BECOME A MEMBER

WHAT IT IS

The **ECA Mentoring & Coaching Program** is an **exclusive member benefit** connecting innovation-driven professionals with trusted European experts.

It supports **strategic, operational, and personal growth** through direct, high-value exchanges.

Members can access **strategic mentoring** or **professional coaching** to address real challenges, build leadership skills, and grow faster – supported by a network of **50+ proven European mentors and coaches**.

WHY IT MATTERS

In a fragmented ecosystem, **reliable expert access** is essential for European SMEs and innovators to grow.

- Builds **trusted, cross-border connections** at every stage
- Helps leaders gain **clarity, confidence, and momentum**

This program strengthens **European tech** through shared knowledge – a core pillar of ECA's mission.

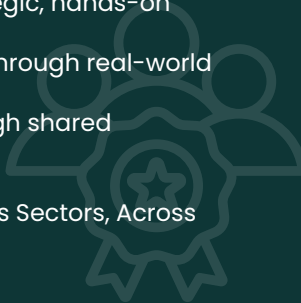

WHAT MAKES IT DIFFERENT

This program is built around **curated topics** and a **capability-driven matching process** – ensuring every connection adds value.

- **For SMEs:** Scale faster with strategic, hands-on mentoring
- **For Corporates:** Develop talent through real-world mentoring exposure
- **For Mentors:** Drive impact through shared knowledge and experience

People Helping People Grow – Across Sectors, Across Europe.

HOW IT WORKS

Members request mentoring or coaching based on real growth topics or challenges. The request is smart-matched via **Innophant by Innolifters** to a trusted expert. Every exchange is practical, tailored, and human.

- Matching is based on **capability and experience**
- Experts are **vettted, peer-endorsed, and verified**
- Topics are **curated to reflect real-world needs**

Let's build a **high-trust, expert-driven network** – together.

BE PART OF BUILDING EUROPE'S NEXT GENERATION OF LEADERS.
